CHRISTINA FAVA,

Plaintiff,

vs.

LABORERS INTERNATIONAL UNION
OF NORTH AMERICA LOCAL 1184,

Defendant.

Case No. ECU004029

CLASS ACTION SETTLEMENT AGREEMENT AND RELEASE

This Class Action Settlement Agreement and Release (“Settlement” or “Agreement”),¹ dated as of August 29, 2025 is entered into between Plaintiffs Christina Fava and Carlos Basulto, on behalf of themselves and the Settlement Class, on the one hand, and Defendant Laborers International Union of North America Local 1184 on the other hand. The Parties hereby agree to the following terms in full settlement of the Action, subject to a Final Approval Order entered by the Court.

I. Background

1. Defendant, Laborers’ International Union of North America, Local 1184 (“Local Union”), is a non-profit labor organization,² organized under and governed by the federal National Labor Relations Act of 1935 (“NLRA”) and Labor Management Relations Act of 1947 (“LMRA”). It exists solely for the benefit of workers and provides those individuals within the bargaining units that it represents with representational services. These services include participating in the

negotiation (along with affiliated labor organizations) of wages and benefits, assisting with job placement through its hiring hall, representing employees in connection with disputes with management including through the grievance and arbitration procedure, and coordinating with the employee benefit trust funds that provide bargaining unit members with training and benefits.

2. As a consequence of these representational duties, the Local Union is required by law and its Constitution to collect and maintain a limited amount of personally identifiable information pertaining to its members.

3. On or about November 17, 2024, Defendant was the victim of a cyber-attack by an unauthorized third party, who breached the Local Union's computer systems, which may have resulted in Private Information having been made accessible to unauthorized parties.

4. The potentially affected information varied by individual, but included names and membership numbers, telephone numbers, home addresses, Social Security numbers, email addresses, and work dispatch records.

5. On or about March 27, 2025, Defendant sent out notice letters to approximately 9,000 affected persons, informing them that their Private Information may have been compromised in the Data Security Incident.

6. On April 3, 2025, Plaintiff Christina Fava filed a Class Action Complaint. Plaintiff Carlos Basulto filed a separate claim which was dismissed without prejudice. The Parties stipulate that Plaintiff Fava will amend the Complaint to include Plaintiff Basulto prior to moving for Preliminary Approval.

7. Thereafter, Class Counsel conducted extensive research on how the breach occurred, the type of information involved, the demographics of the Class, Defendant's response to the breach and other related issues.

8. The Parties engaged in extensive arms-length negotiations, including a July 22, 2025 mediation with experienced neutral Joseph M. Loveretovich, and agreed upon the material terms of a Settlement.

9. The Parties now agree to settle the Action entirely, without any admission of liability or wrongdoing, with respect to all Released Claims of the Releasing Parties. Defendant has entered into this Agreement to resolve all controversies and disputes arising out of or relating to the allegations made in the Complaint, and to avoid the litigation costs and expenses, distractions, burden, expense, and disruption to its business operations associated with further litigation. Defendant does not in any way acknowledge, admit to, or concede any of the allegations made in the Complaint, and expressly disclaim and deny any fault or liability, or any charges of wrongdoing that have been or could have been asserted in the Complaint. Nothing contained in this Agreement shall be used or construed as an admission of liability, and this Agreement shall not be offered or received in evidence in any action or proceeding in any court or other forum as an admission or concession of liability or wrongdoing of any nature or for any other purpose other than to enforce the terms of this Agreement. Plaintiffs have entered into this Agreement to recover on the claims in the Complaint, and to avoid the risk, delay, and uncertainty of continued litigation. Plaintiffs do not in any way concede that the claims alleged in the Complaint lack merit or are subject to any defenses. The Parties intend this Agreement to bind Plaintiffs, Defendant, and all Settlement Class Members.

NOW, THEREFORE, in light of the foregoing, for good and valuable consideration, the receipt and sufficient of which is hereby mutually acknowledged, the Parties agree, subject to approval by the Court, as follows.

Escrow Account. All taxes (including any estimated taxes, and any interest or penalties relating to them) arising with respect to the income earned by the Escrow Account or otherwise shall be paid from the Escrow Account, including any taxes or tax detriments that may be imposed on Defendant, Defendant's Counsel, Plaintiffs, and/or Class Counsel with respect to income earned by the Escrow Account, for any period during which the Escrow Account does not qualify as a "qualified settlement fund" for the purpose of federal or state income taxes or otherwise, shall be paid out of the Escrow Account. Plaintiffs and Class Counsel shall not reference

this Agreement in support of any subsequent motion for class certification of any class in the Action.

V. Settlement Consideration

67. **Claims-made Basis.** The Settlement shall be administered on a wholly claims-made basis. To receive relief, Settlement Class Members must submit a valid and timely claim to the Settlement Administrator. Claims will be subject to review for timeliness, completeness, and validity by the Settlement Administrator.

a. Settlement Cap

The overall amount for all payments made by Defendant to Settlement Class Members shall not exceed one hundred sixty thousand dollars (\$160,000), exclusive of Settlement Administration Costs, Service Awards and Attorney's fees and Costs. To the extent the total amount of the Valid Claims exceeds \$160,000 to Settlement Class Members, the Valid Claims shall be decreased in an amount *pro rata*.

b. Compensation for Ordinary Losses

Defendant will provide compensation for expenses and time expended addressing the Data Security Incident, up to a collective total of five hundred dollars (\$500) per Settlement Class Member. Compensation for Ordinary Losses shall be paid upon submission of a valid and timely claim form and supporting documentation. Ordinary Losses are:

- (1) Out-of-Pocket Expenses incurred as a result of the Data Security Incident, including, without limitation, out-of-pocket expenses incurred as result of the Incident, including unreimbursed bank fees, unreimbursed card reissuance fees, unreimbursed overdraft fees, unreimbursed charges related to the unavailability of funds, unreimbursed late fees, unreimbursed over-limit fees, unreimbursed charges from banks or credit card companies, reasonable expenses relating to tax remediation efforts, and fees for credit reports, between November 17, 2024 and the date that the Motion for Preliminary Approval is filed;
- (2) The cost of purchasing credit monitoring or other identity theft insurance products purchased between November 17, 2024 and the date that the Motion for Preliminary Approval is filed; and

- (3) *Up to 4 hours of time spent*, at twenty-five dollars (\$25.00) per hour for time spent dealing with the Data Security Incident, but only if the time can be documented with reasonable specificity by answering open-ended questions on the Claim Form. Settlement Class Members must submit an attestation that they spent the claimed time responding to issues raised by the Data Security Incident. Settlement Class Members will also need to choose from a mutually agreeable array of activities for which they spent time dealing with the Data Security Incident for which they can be compensated.

c. Compensation for Extraordinary Losses

Defendant will provide compensation up to three thousand five hundred dollars (\$3,500) per Settlement Class Member for proven extraordinary losses. Extraordinary losses are losses associated with identity theft, fraud, and other actual misuse of personal information, provided that:

- (1) the loss is an actual documented and unreimbursed monetary loss;
- (2) the claimant provides proof to the Claims Administrator that that loss was proximately caused by the Data Security Incident;
- (3) the claimant made reasonable efforts to avoid the loss or seek reimbursement for the loss, including, but not limited to, exhaustion of all available credit monitoring or identity monitoring insurance; and
- (4) the loss occurred between the date of the Data Security Incident and the date that the Motion for Preliminary Approval is filed.

Settlement Class Members with Extraordinary Losses must submit reasonable documentation supporting their claims to the Claims Administrator, postmarked or submitted online on or before the Claim Form Deadline.

68. **Assessing Claims For Ordinary Losses and Extraordinary Losses.** The Settlement Administrator shall verify that each person who submits a Claim Form is a Settlement Class Member and whether the claim submission was timely. Settlement Class Members claiming losses must submit substantial and plausible documentation supporting their claims. “Self-prepared” documents such as handwritten receipts are, by themselves, insufficient to receive

reimbursement for Ordinary Losses or Extraordinary Losses, but can be considered to add clarity or support other submitted documentation and a description of how the time was spent. The Settlement Administrator shall have the sole discretion and authority to determine whether and to what extent documentation reflects valid Ordinary Losses actually and reasonably incurred and, for Extraordinary Losses, reflects losses that are “more likely than not caused by” the Data Security Incident; however, the Settlement Administrator may consult with Class Counsel and Defendant’s Counsel in making individual determinations. In assessing what qualifies as more likely than not caused by the Data Security Incident, the Settlement Administrator will consider (i) whether the timing of the loss occurred on or after November 17, 2024 (ii) whether the Private Information used to commit identity theft or fraud consisted of the type of Private Information identified in Defendant’s Notice of the Data Security Incident, and (iii) whether the documentation is valid and credible. The Settlement Administrator is authorized to contact any Settlement Class Member (by email, telephone, or U.S. Mail) to seek clarification regarding a submitted claim prior to deciding its validity and may also consider evidence provided by Defendant.

69. **Assessing Claims for Attested Time.** Settlement Class Members may submit claims for up to four (4) hours of time spent addressing the Data Security Incident. The Settlement Administrator is authorized to contact any Settlement Class Member (by email, telephone, or U.S. Mail) to seek clarification regarding a submitted claim prior to deciding its validity.

70. **Credit Monitoring.** All Settlement Class Members who were offered, or who previously claimed, the 12 months of credit monitoring offered to them shall be permitted to file a claim for an additional 1-year term (i.e., up to 2 years total).

71. **Business Practice Changes** – The Parties agree, and hereby stipulate, that protecting the safety and integrity of Settlement Class Members’ Private Information, responding

to the Data Security Incident, underlying the claims in this litigation, and the claims in this litigation were substantial motivating factors for certain remedial efforts and business practices changes taken by Defendant following the Data Breach, which are estimated to cost Defendant \$132,000. Plaintiffs have received assurances that Defendant will continue to take reasonable steps to further secure its systems and environments and that these efforts are intended to have a significant and lasting future impact on the safety and integrity of all Settlement Class Members' Private Information. Defendant has paid and will continue to pay the costs of these security enhancements separate and apart from the cash component paid to Class Members.

VI. Settlement Approval

72. Upon execution of this Agreement by all Parties and Class Counsel, Class Counsel shall file a Motion for Preliminary Approval. The proposed Preliminary Approval Order shall be attached to the Motion for Preliminary Approval.

73. The Motion for Preliminary Approval shall, among other things, request the Court: (1) preliminarily approve the terms of the Settlement as being within the range of fair, adequate, and reasonable, (2) provisionally certify the Settlement Class for settlement purposes only, (3) approve the Notice Program set forth herein and approve the form and content of the Notices of the Settlement, (4) approve the Claim Form and Claim process, (5) approve the procedures for individuals in the Settlement Class to opt-out of or object to the Settlement, (6) stay the Action pending Final Approval of the Settlement and (7) schedule a Final Approval Hearing for a time and date mutually convenient for the Court, Class Counsel, and Defendant's Counsel.

Within five days after the Settlement Administrator's receipt of any Postcard Notices, the Settlement Administrator shall re-mail the Post Card Notice using any forwarding address provided by the USPS. The Settlement Administrator shall have no obligation to make further attempts to locate or send Summary Notice to Proposed Settlement Class Members whose Summary Notices is returned by the USPS a second time. In order to provide additional time for Settlement Class Members who are re-mailed a Postcard Notice pursuant to this Paragraph, the Parties have extended the Claim Form Deadline, Opt-Out Period, and Objection

Period for all Proposed Settlement Class Members an additional fifteen (15) days from the original deadlines.

87. The Notice Program shall be completed no later than 60 days after the Notice Date.

IX. Claim Form Process and Disbursement of Cash Payments

88. The Notice will explain to the Settlement Class that they may be entitled to a Settlement Class Member Benefit and how to submit a Claim Form.

89. Claim Forms may be submitted online through the Settlement Website or through U.S. Mail by sending them to the Settlement Administrator at the address designated on the Claim Form.

90. The Settlement Administrator shall collect, review, and address each Claim Form received to determine whether the Claim Form meets the requirements set forth in this Settlement and is thus a Valid Claim. The Settlement Administrator shall examine the Claim Form before designating the Claim as a Valid Claim to determine that the information on the Claim Form is reasonably complete. The Settlement Administrator shall have the sole authority to determine whether a Claim by any Claimant is a Valid Claim.

91. The Settlement Administrator shall use all reasonable efforts and means to identify and reject duplicate claims. No Settlement Class Member may submit more than one Claim Form. The Settlement Administrator shall identify any Claim Forms that appear to seek relief on behalf of the same Settlement Class Member. The Settlement Administrator shall use its best efforts to determine whether there is any duplication of claims, and if there is, contact the Settlement Class Member in an effort to determine which Claim Form is the appropriate one for consideration.

92. The Settlement Administrator shall exercise, in its discretion, all usual and customary steps to prevent fraud and abuse and take any reasonable steps to prevent fraud and

abuse in the Claim process. The Settlement Administrator may, in its discretion, deny in whole or in part any Claim Form to prevent actual or possible fraud or abuse. By agreement, the Parties can instruct the Settlement Administrator to take whatever steps it deems appropriate if the Settlement Administrator identifies actual or possible fraud or abuse relating to the submission of claims, including, but not limited to, denying in whole or in part any Claim to prevent actual or possible fraud or abuse. If any fraud is detected or reasonably suspected, the Settlement Administrator and Parties may require information from Claimants or deny Claims, subject to the supervision of the Parties and ultimate oversight by the Court.

93. Claim Forms that do not meet the terms and conditions of this Settlement shall be promptly rejected by the Settlement Administrator and the Settlement Administrator shall advise the Claimant or Settlement Class Member of the reason(s) why the Claim Form was rejected. However, if the Claim Form is rejected for containing incomplete or inaccurate information, and/or omitting required information, the Settlement Administrator may send a Notice of Deficiency explaining what information is missing or inaccurate and needed to validate the Claim and have it submitted for consideration. The Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. The additional information and/or documentation can include, for example, answers to questions regarding the validity of the Claimant's physical or e-signature. A Claimant shall have until the Claim Form Deadline, or 15 days from the date the Notice of Deficiency is sent to the Claimant via mail and postmarked or via email, whichever is later, to reply to the Notice of Deficiency and provide the required information. If the Claimant timely and adequately provides the requested information and/or documentation, the Claim shall be deemed a Valid Claim and processed by the Settlement Administrator. If the Claimant does not timely and completely provide the requested information and/or documentation, the Settlement

Administrator shall reduce or deny the Claim unless Defendant and Class Counsel otherwise agree.

94. Where a good faith basis exists, the Settlement Administrator may reduce or reject a Claim for, among other reasons, the following:

- a. Failure to fully complete and/or sign the Claim Form;
- b. Illegible Claim Form;
- c. The Claim Form is fraudulent;
- d. The Claim Form is duplicative of another Claim Form;
- e. The Claimant is not a Settlement Class Member;
- f. The Claimant submitted a timely and valid request to opt out of the Settlement Class.
- g. The person submitting the Claim Form requests that payment be made to a person or entity other than the Claimant for whom the Claim Form is submitted;
- h. Failure to submit a Claim Form by the Claim Form Deadline; and/or
- i. The Claim Form otherwise does not comply with the requirements of this Settlement.

95. The Settlement Administrator's reduction or denial of a Claim is final, subject to the following dispute resolution procedures:

- a. The Settlement Administrator shall have 10 days from the Claim Form Deadline to approve or reject Claims based on findings of fraud or duplication.
- b. A request for additional information by sending a Notice of Deficiency shall not be considered a denial for purposes of this Paragraph.
- c. If a Claim is rejected for fraud or duplication, the Settlement Administrator shall notify the Claimant using the contact information provided in the Claim Form. Class Counsel

and Defendant's Counsel shall be provided with copies of all such notifications to Claimants.

d. The Settlement Administrator's determination as to whether to approve, deny, or reduce a Claim shall be final and binding.

96. The Settlement Administrator shall provide all information gathered in investigating Claims, including, but not limited to, copies of all correspondence and email and all notes of the Settlement Administrator, the decision reached, and all reasons supporting the decision, if requested by Class Counsel or Defendant's Counsel. Additionally, Class Counsel and Defendant's Counsel shall have the right to inspect the Claim Forms and supporting documentation received by the Settlement Administrator at any time upon reasonable notice.

97. No person or entity shall have any claim against Defendant, Defendant's Counsel, Plaintiffs, the Settlement Class, Class Counsel, and/or the Settlement Administrator based on any eligibility determinations, distributions, or awards made in accordance with this Settlement.

98. No later than 30 days after the Effective Date, the Settlement Administrator shall distribute the Settlement Class Member Benefits.

99. Cash Payments to Settlement Class Members will be made electronically or by paper check. Settlement Class Members who do not open their email or provide incorrect or incomplete electronic payment information shall receive a paper check in the mail. Settlement Class Members receiving payment by check shall have 90 days to negotiate the check.

X. Final Approval Order and Final Judgment

100. Plaintiffs shall file the Motion for Final Approval of the Settlement, inclusive of the Application for Attorneys' Fees, Costs, and Service Award, no later than 10 days after the close of the Objection/Opt-Out Period. At the Final Approval Hearing, the Court may choose to hear argument on Plaintiffs' Motion for Final Approval of the Settlement and Application for Attorneys'

Fees, Costs, and Service Award. In the Court's discretion, the Court also may hear argument at the Final Approval Hearing from any Settlement Class Members (or their counsel) who object to the Settlement and/or to the Application for Attorneys' Fees, Costs, and Service Award, provided the objectors submitted timely objections that meet all of the requirements listed in the Agreement.

101. At or following the Final Approval Hearing, the Court will determine whether to enter the Final Approval Order and final judgment thereon, and whether to grant the Application for Attorneys' Fees, Costs, and Service Award. Such proposed Final Approval Order shall, among other things:

- a. Determine that the Settlement is fair, adequate and reasonable;
- b. Finally certify the Settlement Class for settlement purposes only;
- c. Determine that the Notice Program satisfies Due Process requirements;
- d. Bar and enjoin all Releasing Parties from asserting any of the Released Claims at any time and in any jurisdiction, including during any appeal from the Final Approval Order; bar and enjoin all Releasing Parties from pursuing any Released Claims against Released Parties at any time and in any jurisdiction, including during any appeal from the Final Approval Order; and retain jurisdiction over the enforcement of the Court's injunctions;
- e. Release Defendant and the Released Parties from the Released Claims; and
- f. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Agreement, including Defendant, Plaintiffs, all Settlement Class Members, and all objectors, to administer, supervise, construe, and enforce this Agreement in accordance with its terms.

XI. Service Awards, Attorneys' Fees and Costs

102. **Service Awards** – In recognition of the time and effort the Class Representatives

expended in pursuing this Action and in fulfilling their obligations and responsibilities as Class Representatives, and of the relief conferred on all Settlement Class Members by the Settlement, Class Counsel shall request Service Awards for each of the Class Representatives in the amount not to exceed \$3,000. If approved, the Service Awards shall be paid by the Settlement Administrator within ten days after Defendant's deposit into the Escrow Account sufficient funds for the Settlement Administrator to pay all Approved Claims pursuant to Paragraph 62. The Service Award payments to the Class Representatives shall be separate and apart from their entitlement to Settlement Class Member Benefits.

103. **Attorneys' Fees and Costs** – Class Counsel shall apply to the Court for an award of Attorneys' Fees and Costs of up to \$100,000. The Attorneys' Fees and Cost Award approved by the Court shall be paid by the Settlement Administrator by wire transfer to an account designated by Class Counsel, within ten days after Defendant's deposit into the Escrow Account sufficient funds for the Settlement Administrator to pay all Approved Claims pursuant to Paragraph 62.

104. This Settlement is not contingent on approval of the Application for Attorneys' Fees, Costs, and Service Award, and if the Court denies the application or grants amounts other than what was requested, the remaining provisions of the Agreement shall remain in force. The provisions for Attorneys' Fees and Costs and the Service Awards were not negotiated until after all material terms of the Settlement.

XII. Disposition of Residual Funds

105. The Parties will select a mutually agreeable *cy pres* recipient prior to the hearing on the Motion for Preliminary Approval and the Parties will request that the Court approve the *cy pres* recipient at that time. In the event there are funds remaining from uncashed checks 20 days following the 90-day check negotiation period, all remaining funds shall be distributed to the *cy*

pres recipient.

XIII. Releases

106. As of the Effective Date, the Releasing Parties shall automatically be deemed to have fully, finally, and irrevocably released and forever discharged the Released Parties of, and shall be forever barred from instituting, maintaining, or prosecuting, any and all liabilities, rights, claims, actions, causes of action, demands, damages, costs, attorneys' fees, losses and remedies, whether known or unknown, asserted or unasserted, existing or potential, suspected or unsuspected, liquidated or unliquidated, legal, statutory, or equitable, based on contract, tort or any other theory, whether on behalf of themselves or others, that result from, arise out of, are based upon, or relate to (a) the Data Security Incident or (b) any of the alleged violations of laws or regulations cited in the Complaint or the Action.

107. Plaintiffs and Settlement Class Members covenant and agree they will not take any step whatsoever to assert, sue on, continue, pursue, maintain, prosecute, or enforce any Released Claim, directly or indirectly, whether on behalf of themselves or others, against any of the Released Parties in any jurisdiction.

108. With respect to any and all Released Claims, the Parties stipulate and agree that upon the Effective Date, the Plaintiffs expressly shall have, and each of the other Settlement Class Members (subject to the limitations below) shall be deemed to have, and by operation of the Final Approval Order shall have, released any and all Released Claims, including unknown claims, and waived the provisions, rights, and benefits conferred by California Civil Code § 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY

AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Settlement Class Members, including Plaintiffs, may hereafter discover facts in addition to, or different from, those that they now know or believe to be true with respect to the subject matter of the Released Claims, but Plaintiffs expressly shall have, and each other Settlement Class Member shall be deemed to have, and by operation of the Final Approval Order shall have, upon the Effective Date, fully, finally, and forever settled and released any and all Released Claims, including unknown claims.

Settlement Class Members other than Plaintiffs shall be deemed to have released any and all Released Claims, including unknown claims, and waived the provisions, rights, and benefits conferred by California Civil Code § 1542 only for claims that were and/or could have been brought in the Actions and/or claims arising out of the Data Security Incident that is the subject of this litigation.

109. Individuals in the Settlement Class who opt-out of the Settlement prior to the close of the Opt-Out Period do not release their claims and will not obtain any benefits under the Settlement. With respect to the Released Claims, Plaintiffs and Settlement Class Members, expressly understand and acknowledge it is possible that unknown economic losses or claims exist or that present losses may have been underestimated in amount or severity. Plaintiffs and Settlement Class Members explicitly took that into account in entering into this Agreement, and a portion of the consideration and the mutual covenants contained herein, having been bargained for between Plaintiffs and Defendant with the knowledge of the possibility of such unknown claims for economic loss, were given in exchange for a full accord, satisfaction, and discharge of all such claims.

110. Upon the Effective Date: (a) this Settlement shall be the exclusive remedy for any

and all Released Claims of Plaintiffs and Settlement Class Members and (b) Plaintiffs and Settlement Class Members stipulate to be and shall be permanently barred and enjoined by Court order from initiating, asserting, or prosecuting any Released Claim against the Released Parties, whether on behalf of Plaintiffs, any Settlement Class Member or others, in any jurisdiction, including in any federal, state, or local court or tribunal.

XIV. Termination of Settlement

111. This Agreement shall be subject to and is expressly conditioned on the occurrence of all of the following events:

- a. Court approval of the Settlement consideration set forth in Section V and the Releases set forth in Section XIII of this Agreement;
- b. The Court has entered the Preliminary Approval Order substantially in the form attached to the Motion for Preliminary Approval;
- c. The Defendant has declined to timely exercise its unilateral option—in the event that more than five percent (5%) of the Settlement Class timely and validly request to opt out—to terminate this Settlement in Defendant’s sole discretion;
- d. The Court has entered the Final Approval Order substantially in the form attached to the Motion for Final Approval, and all objections, if any, are overruled, and all appeals taken from the Final Approval Order are resolved in favor of Final Approval; and
- e. The Effective Date has occurred.

112. If any of the conditions specified in the preceding paragraph are not met, then this Agreement shall be cancelled and terminated.

113. Defendant shall have the option to terminate this Agreement if more than 5% of the Settlement Class opt-out of the Settlement. Defendant shall notify Class Counsel and the Court of

their intent to terminate this Agreement pursuant to this paragraph within 10 days after the end of the Opt-Out Period, or the option to terminate shall be considered waived.

114. In the event this Agreement is terminated or fails to become effective, then the Parties shall return to the *status quo ante* in the Action as if the Parties had not entered into this Agreement, and the parties shall jointly file a status report in the Court seeking to reopen the Action. In such event, the terms and provisions of this Agreement shall have no further force and effect with respect to the Parties and shall not be used in this case or in any other action or proceeding for any other purpose, and any order entered by this Court in accordance with the terms of this Agreement shall be treated as vacated, *nunc pro tunc*.

115. In the event this Agreement is terminated or fails to become effective, all Settlement Class Member Benefits shall be promptly returned to Defendant. However, Defendant shall have no right to seek from Plaintiffs, Class Counsel, or the Settlement Administrator the Settlement Administration Costs paid by Defendant. The Settlement Administrator shall return all remaining amounts in the Escrow Account to Defendant within 21 days of termination.

XV. Effect of Termination

116. The grounds upon which this Agreement may be terminated are set forth in Section XIV. In the event of a termination, this Agreement shall be considered null and void; all of Plaintiffs', Class Counsel's, Defendant's and Defendant's Counsel's obligations under the Settlement shall cease to be of any force and effect; and the Parties shall return to the status quo ante in the Action as if the Parties had not entered into this Agreement. In addition, in the event of such a termination, all of the Parties' respective pre-Settlement rights, claims, and defenses will be retained and preserved.

117. In the event the Settlement is terminated in accordance with the provisions of this

Agreement, any discussions, offers or negotiations associated with this Settlement shall not be discoverable or offered into evidence or used in the Action or any other action or proceeding for any purpose. In such event, all Parties to the Action shall stand in the same position as if this Agreement had not been negotiated, made, or filed with the Court.

XVI. No Admission of Liability

118. This Agreement reflects the Parties' compromise and settlement of disputed claims. This Agreement shall not be construed as or deemed to be evidence of an admission or concession of any point of fact or law. Defendant has denied and continues to deny each of the claims and contentions alleged in the Complaint. Defendant specifically denies that a class could or should be certified in the Action for litigation purposes. Defendant does not admit any liability or wrongdoing of any kind, by this Agreement or otherwise. Defendant has agreed to enter into this Agreement to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to be completely free of any further claims that were asserted or could possibly have been asserted in the Action.

119. Class Counsel believes the claims asserted in the Action have merit, and they have examined and considered the benefits to be obtained under the proposed Settlement set forth in this Agreement, the risks associated with the continued prosecution of this complex, costly, and time-consuming litigation, and the likelihood of success on the merits of the Action. Class Counsel fully investigated the facts and law relevant to the merits of the claims, and conducted an independent investigation of the alleged claims. Class Counsel concluded that the proposed Settlement set forth in this Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class.

120. This Agreement constitutes a compromise and settlement of disputed claims. No

action taken by the Parties in connection with the negotiations of this Agreement shall be deemed or construed to be an admission of the truth or falsity of any claims or defenses heretofore made, or an acknowledgment or admission by any party of any fault, liability, or wrongdoing of any kind whatsoever.

121. Neither the Settlement, nor any act performed or document executed pursuant to or in furtherance of the Settlement: (a) is or may be deemed to be, or may be used as, an admission of, or evidence of, the validity of any claim made by the Plaintiffs or the Settlement Class, or of any wrongdoing or liability of the Released Parties or (b) is or may be deemed to be, or may be used as, an admission of, or evidence of, any fault or omission of any of the Released Parties, in the Action or in any proceeding in any court, administrative agency, or other tribunal.

122. In addition to any other defenses Defendant may have at law, in equity, or otherwise, to the extent permitted by law, this Agreement may be pleaded as a full and complete defense to and may be used as the basis for an injunction against any action, suit, or other proceeding that may be instituted, prosecuted, or attempted in breach of this Agreement or the Releases contained herein.

XVII. Miscellaneous Provisions

123. Gender and Plurals. As used in this Agreement, the masculine, feminine or neuter gender, and the singular or plural number, shall each be deemed to include the others whenever the context so indicates.

124. Binding Effect. This Agreement shall be binding upon, and inure to and for the benefit of, the successors and assigns of the Releasing Parties and the Released Parties.

125. Cooperation of Parties. The Parties to this Agreement agree to cooperate in good faith to prepare and execute all documents, seek Court approval, uphold Court approval, and do

all things reasonably necessary to complete and effectuate the Settlement described in this Agreement.

126. Obligation to Meet and Confer. Before filing any motion in the Court raising a dispute arising out of or related to this Agreement, the Parties shall consult with each other and certify to the Court that they have met and conferred in an attempt to resolve the dispute.

127. Integration and No Reliance. This Agreement constitutes a single, integrated written contract expressing the entire agreement of the Parties relative to the subject matter hereof. This Agreement is executed without reliance on any covenant, agreement, representation, or warranty by any Party or any Party's representative other than those expressly set forth in this Agreement. No covenants, agreements, representations, or warranties of any kind whatsoever have been made by any Party hereto, except as provided for herein.

128. No Conflict Intended. Any inconsistency between the headings used in this Agreement and the text of the paragraphs of this Agreement shall be resolved in favor of the text.

129. Governing Law. Except as otherwise provided herein, the Agreement shall be construed in accordance with, and be governed by, the laws of the state of California, without regard to the principles thereof regarding choice of law.

130. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, even though all Parties do not sign the same counterparts. Original signatures are not required.

131. Jurisdiction. The Court shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement that cannot be

resolved by negotiation and agreement by counsel for the Parties. The Court shall also retain jurisdiction over all questions and/or disputes related to the Notice Program and the Settlement Administrator. As part of the agreement to render services in connection with this Settlement, the Settlement Administrator shall consent to the jurisdiction of the Court for this purpose. The Court shall retain jurisdiction over the enforcement of the Court's injunction barring and enjoining all Releasing Parties from asserting any of the Released Claims and from pursuing any Released Claims against the Released Parties at any time and in any jurisdiction, including during any appeal from the Final Approval Order.

Settlement has been approved preliminarily by the Court, approved by the Court.

134. No Waiver. The waiver by any Party of any breach of this Agreement by another Party shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of this Agreement.

135. Authority. Class Counsel (for Plaintiffs and the Settlement Class), and Defendant's Counsel (for Defendant), represent and warrant that the persons signing this Agreement on their behalf have full power and authority to bind every person, partnership, corporation, or entity included within the definitions of Plaintiffs and Defendant to all terms of this Agreement. Any person executing this Agreement in a representative capacity represents and warrants that he or she is fully authorized to do so and to bind the Party on whose behalf he or she signs this Agreement to all of the terms and provisions of this Agreement.

136. Agreement Mutually Prepared. Neither Plaintiffs nor Defendant shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

137. Independent Investigation and Decision to Settle. The Parties understand and acknowledge they: (a) have performed an independent investigation of the allegations of fact and law made in connection with this Action and (b) that even if they may hereafter discover facts in addition to, or different from, those that they now know or believe to be true with respect to the subject matter of the Action as reflected in this Agreement, that will not affect or in any respect limit the binding nature of this Agreement. All Parties recognize and acknowledge they reviewed and analyzed data that they used to make certain determinations, arguments, and settlement positions. The Parties agree this Settlement is fair, reasonable, and adequate, and will not attempt

to renegotiate or otherwise void or invalidate or terminate the Settlement irrespective of what any unexamined data later shows. It is the Parties' intention to resolve their disputes in connection with this Action pursuant to the terms of this Agreement now and thus, in furtherance of their intentions, the Agreement shall remain in full force and effect notwithstanding the discovery of any additional facts or law, or changes in law, and this Agreement shall not be subject to rescission or modification by reason of any changes or differences in facts or law, subsequently occurring or otherwise.

138. Receipt of Advice of Counsel. Each Party acknowledges, agrees, and specifically warrants that he, she, or it has fully read this Agreement and the Releases contained herein, received independent legal advice with respect to the advisability of entering into this Agreement and the Releases, and the legal effects of this Agreement and the Releases, and fully understands the effect of this Agreement and the Releases.

139. Exhibits. The exhibits to this Agreement are expressly incorporated by reference and made part of the terms and conditions set forth herein.

140. Representations/Warranties Regarding Other Potential Plaintiffs or Legal Claims. Class Counsel represents and warrants that they do not represent any clients, or have knowledge of any potential clients, with claims or potential claims against the Released Parties aside from the Released Claims. Plaintiffs and Class Counsel each represent and warrant that neither of them is aware of any potential Plaintiffs, or any attorney other than Class Counsel, who intends to make demands or bring litigation against the Released Parties. Plaintiffs and Class Counsel each further represent and warrant that neither of them has been notified or otherwise informed of any such intention or consideration thereof. Plaintiffs and Class Counsel each further represent and warrant that neither of them has been referred to any other attorney or any other individual alleging to have, asserting, pursuing, or seeking to pursue any claims against the Released Parties. Class Counsel

represents and warrants that they have removed all advertisements, including social media posts, soliciting potential clients to pursue claims against Defendant or any of the Released Parties. Class Counsel further represents and warrants that they have removed any other publications, including social media posts, announcing, publicizing, or describing the Released Claims, to the extent published by Class Counsel.

141. Bar to Future Suits. Upon entry of the Final Approval Order, the Releasing Parties shall be enjoined from prosecuting any Released Claim in any proceeding against the Released Parties or based on any actions taken by any of the Released Parties that are authorized or required by this Agreement or by the Final Approval Order. It is further agreed that the Settlement may be pleaded as a complete defense to any proceeding subject to this paragraph.
